

Argyle School District
District Goals

Instructional

1. Review and analyze student achievement data.
2. Review curriculum and alignment including STEM.
3. Provide meaningful professional development for all staff.

Operational

1. Update all Job Descriptions
2. Develop a District Strategic Plan
3. Review the Districts Vision and Mission Statements and update as needed.

Community

1. Develop and maintain an App for easy access to school information.
2. Update and remain current on district social media and website.
3. Survey the community regarding school perceptions, open enrollment, and other items.
