## **SPECIAL PROJECTS FUND - FUNDS 21 & 27**

Fund 21 – This fund is used to account for all student activity accounts and non-trust revenues of which the expenditures are limited to specific purposes related to district operations (i.e. – scholarships and trust fund CD's). This is a trust fund in which the principal may not be expended. This includes the Eugene Flanagan, E.H. Larson, J.D. & Florence Penniston, Alice Peterson, Robert & Betty Penniston, Masonic, Student-In-Need, and American Red Cross scholarship money, which is invested in Certificates of Deposit at Woodford State Bank. The interest earnings are transferred to and disbursed from the Expendable Trust Fund. Due to GASB 84, funds were moved from Fund 72 to Fund 21.

Fund 27 - Revenue and expenditure functions related to special education will be recorded in Fund 27. Any amount needed to close out Fund 27 is recorded as a transfer from the general fund. Fund 27 balance at the end of fiscal year must be "zero".

**DEBT SERVICE FUND – FUND 39**

Debt tax levy and related funds are accounted for in this fund, along with expenditures for long-term debt retirement. A separate checking and savings account must be maintained for this fund.

**CAPITAL IMPROVEMENT FUND – FUND 46**

The contribution from Fund 10 to Fund 46 is recorded as an expenditure for shared cost and equalization aid purposes. Future expenditures from Fund 46 are not part of shared costs. A school board is prohibited from removing money deposited into Fund 46 for a period of five years after the fund is created. After the initial five year wait period is over, funds may only be used for the purposes identified in the approved long-term capital improvement plan.

**FOOD SERVICE FUND – FUND 50**

Federal regulations require that the Food Service Fund be accounted for separately. All food service receipts and expenditures must be recorded in this fund. If there is money available in the fund at the end of the fiscal year it is carried over to the following year. If there is a deficit in the fund, the difference must be made up by money budgeted in the non-program transactions account.
